Re: Notice of Ex Parte Presentation
Digital Must Carry, CS Docket No. 98-120

Dear Ms. Dortch:

On November 4, 2004, Philip Kent, Chairman and CEO of Turner Broadcasting System, Inc., Andrew Heller, President, Domestic Distribution, Turner Broadcasting System, Inc., and the undersigned, met with FCC Commissioner Jonathan Adelstein and Johanna Shelton, Legal Advisor to Commissioner Adelstein, to discuss must-carry and the definition of “primary video” as it relates to the digital signal of a broadcaster. In particular, we urged the Commission to reaffirm its conclusion that “primary video” includes only a single video stream.

Pursuant to Section 1.1206(b) of the Commission’s rules, copies of this notice are being filed electronically in the above-captioned proceeding for inclusion in the public record. Should you have any questions, please do not hesitate to contact me.

Respectfully submitted,

Steven N. Teplitz
